

I General information

- This Privacy Policy specifies the method of obtaining, processing and securing personal data within the meaning of the Act on the Protection of Personal Data of August 29, 1997 (Journal of Laws No. 133, item 883, as amended) and the Act on the provision of electronic services of July 18, 2002 (Journal of Laws No. 144, item 1204, as amended)
- The owner of the website app.farodive.com and the administrator of personal data is RSX Sp. z o.o., based in Gdańsk 80-231, ul. Gen. Józefa Fiszerka 14, NIP 9571108066, REGON: 380871938, entered into the Central Register and Information on Economic Activity of the Republic of Poland.

II Personal data

- Service collects information provided voluntarily by the user.
- Personal data is collected when filling out the newsletter form
- Personal data is used only for the purpose of sending the newsletter and if he has consented to it.
- The website content can be viewed without providing any personal information.
- Each person who has shared their personal data has the right to access their content and the possibility of correcting, updating, supplementing them, as well as requesting the cessation of personal data processing and objecting to the processing of personal data. The above-mentioned activities can be made by sending an appropriate statement to the e-mail address: office@kayon.pl
- The personal data obtained by the administrator are stored, processed and protected in accordance with applicable law. The collection of personal data has been reported to the Office for Personal Data Protection (uodo.gov.pl)
- The administrator protects the collected personal data using the following measures:
 - encryption of data used to subscribe to the newsletter
 - securing the data set against unauthorized access

III Information about cookies.

- The website uses cookies.
- Cookie files (so-called "cookies") are IT data, in particular text files, which are stored on the Website User's end device and are intended for using the Website's pages. Cookies usually contain the name of the website they come from, the storage time on the end device and a unique number.
- The entity placing cookies on the Website User's end device and accessing them is the Website operator.
- Cookies are used for the following purposes:
 - creating statistics that help to understand how Website Users use websites, which allows improving their structure and content;
 - maintaining the Website User's session (after logging in), thanks to which the User does not have to re-enter the login and password on each subpage of the Website;
 - determining the user's profile in order to display him matched materials in advertising networks, in particular the Google network.
- The Website uses two basic types of cookies: session cookies and persistent cookies. Session cookies are temporary files that are stored on the User's end device until logging out, leaving the website or turning off the software (web browser). Persistent cookies are stored on the User's end device for the time specified in the cookie file parameters or until they are deleted by the User.
- Software for browsing websites (web browser) usually by default allows the storage of cookies on the User's end device. Website Users can change the settings in this regard. The web browser allows you to delete cookies. It is also possible to automatically block cookies. Detailed information on this subject can be found in the help or documentation of the web browser.
- Restrictions on the use of cookies may affect some of the functionalities available on the Website pages.

- Cookies placed on the Website User's end device may also be used by advertisers and partners cooperating with the Website operator.
- We recommend that you read the privacy protection policies of these companies to learn about the rules of using cookies used in statistics: Google Analytics privacy policy.
- Cookies may be used by advertising networks, in particular the Google network, to display advertisements tailored to the manner in which the user uses the Website. For this purpose, they may keep information about the user's navigation path or the time spent on a given page.
- In terms of information about user preferences collected by the Google advertising network, the user can view and edit information derived from cookies using the tool:
<https://www.google.com/ads/preferences/>

IV. Cookie management - how to express and withdraw consent in practice?

- If the user does not wish to receive cookies, he may change the browser settings. We reserve that disabling cookies necessary for authentication processes, security, maintaining user preferences may make it difficult, and in extreme cases may prevent the use of websites.

V Provision of data.

- The data is made available to external entities only within the limits permitted by law.
- The operator may be required to provide information collected by the Website to authorized bodies on the basis of lawful requests to the extent resulting from the request.

VI Final Provisions

- The administrator has the right to change this Privacy Policy. Persons providing their personal data are subject to the currently valid version of the Privacy Policy
- In matters not covered by this Privacy Policy, the applicable provisions of Polish law shall apply.
